Volunteer team & Scholarship student team

1. Organizational problem
Inactive members and lack of documentation
2. Financial problem
Insufficient budget
3. Branding problem
Ineffective PR activity

The problems

Our solution

Step 1

- Set up regional representative of JAC
 - Regional representative selection
 - Regional activities by regional committees
- Rebuild JAC member database
 - Update current membership
 - Receive new membership registration
 - Setup member relation management team
- Organize and build JAC internal structure
 - Set up internal working system
 - Set up standard operating procedures (SOP)
 - Set up standard documents and templates

Step 2

- Strengthen Industry-government-academia collaboration
 - Strengthen activities domestically especially with JBAC, JETRO, and EoJ.
 - Strengthen activities internationally especially with ASJA, ASCOJA
- Launching JAC contribution program
 - Alumni contribution
 - General contribution
- Resume JAC Japan Desk activities
 - Strengthen activities with JBAC and JETRO
 - Strengthen activities with Japanese companies in Cambodia
 - Strengthen activities with companies in Cambodia especially JAC members' company

Step 3

- Launching JAC CSR activities
 - Scholarship for students in Cambodia and to Japan
 - OG/OB School Visiting program
 - ...
- Build JAC PR team
 - Communicating with public
 - Reporting to donors
 - Issuing JAC quarter and annual report

Let make JAC great as always!
